Have fun and enjoy your day at German Fest. For more information on the festival entertainment schedule and special events visit www.germanfest.com.

NEW THIS YEAR: Stop by the Mader's Tower Gallery booth, located near the Mid Gate, to meet Veronika Hummel for her first-time appearance and have your Hummel personally signed!

We will be making a stop in Lombard to pick up and drop off members of DANK West. There will be no other side trips or stops this year. This is an outdoor event, therefore we recommend dressing appropriately for Milwaukee's weather that day.
