

Celebrating our German-American Heritage

May 1, 2023

Dear DANK Chapter President:

Greeting from the Great Lakes Region DANK Chapter #78. As you know, we will be hosting the 2023 DANK National Convention in Bay City, Michigan on September 15, 16 and 17. I want to offer my personal invitation to you and your fellow Chapter members and guests to join us for the important business sessions and celebration of our German heritage.

Our Convention Committee is proud to host the 2023 Convention and has arranged for an exciting selection of events for our guests ranging from a Meet & Greet Welcome reception to a panel presentation on our Sister City programs to the Dinner Banquet/Cruise complete with a lively German band and culminating with a visit to the Frankenmuth Oktoberfest.

I have enclosed with this correspondence a supply of Convention registration forms, including information/links for booking your discounted hotel reservations directly. Feel free to copy them if you need more. Additional event options will be added and will be communicated to you prior to the Convention

Also included is an advertising rate sheet for inclusion in our high quality Convention program of events, which will be provided to all attendees. Please return those with payment by the deadline of August 15 for inclusion in the program booklet.

Should you have any questions our contact number is on the Registration form.

I personally look forward to seeing you and your Chapter delegates and their guests.

Sincerely yours,

Monte Oswald, President
